

WELCOME BACK!

Six weeks seem to have flown by and everyone is excited to be back. We are all looking forward to a fantastic year, where Woolpit school continues to grow and flourish– with the help of our fantastic pupils!

We have three new additions to the school. Our Silkie chicks, hatched last term, have moved in this week. Their run is a temporary one, whilst I chicken-proof the area by the Year 5 and 6 building. Despite looking a little (whispered voice) ugly, they are very friendly and I'm sure Year 6 will enjoy helping to look after them.

We are looking to improve our school website. It would be helpful to know how the site could be more useful, as I am aware that it is limited. Take a look and let the office know.
<https://www.woolpitprimary.net/>

Lots of notices this week– I look forward to reporting on the activities and achievements of the children in next week's letter.

Curriculum letters will be sent out and available on the website next week.

Have a good weekend and week ahead,
Jen Carlyle

Snack

This year we will be having a real push on healthy eating and so I'd like to ask that children bring in healthy snacks– fruit, vegetables or a cereal bar only. I am talking to the kitchen about healthier hot tuck.

Next week's dates for the diary

Monday

Year 3 Music lessons start
No Homework club

Tuesday FoWs meeting The Bull at 7.30pm– all welcome

Wednesday

Year 4 music lessons start

Thursday

Photography Club plea!

The children are keen to take part in a photography club in school but we are very short of digital cameras. If anyone has an old digital camera– even if the charging lead is missing– we would be very, very happy to receive them!

Parent Governor Vacancy

We have a parent governor vacancy and would like to fill it! Our governors are a friendly and supportive group who work hard to support in the development of our school. Further details will be coming home next week.

P.E Kit

Please could all children bring their P.E Kits in on Monday, next week. P.E Kits should follow school uniform policy. Please remember to include a change of socks and to name everything! Children with earrings should be able to remove them.

Water bottles

Please could you ensure that all children bring a water bottle to school each day. We suggest that the bottle is bought in on a Monday and can be sent home on Friday for a thorough wash. Children can fill their water bottles in school. Water only, please– juice and sugary drinks are not allowed.

Careers Afternoon

We are organising a Year 5 and Year 6 careers afternoon on Friday 28th September. If you would be able to come into school and talk about your job then please contact the school office.
